Registration process and helpful tips:

- 1) Start by creating a Rugby Explorer account for the athlete's parent or guardian; you will have the opportunity to register your athlete at a later step.
- 2) Verify account setup. Check your designated Inbox for an email from notification confirming your account. You'll be prompted to include/update your personal information within your Rugby Explorer account. See below example.

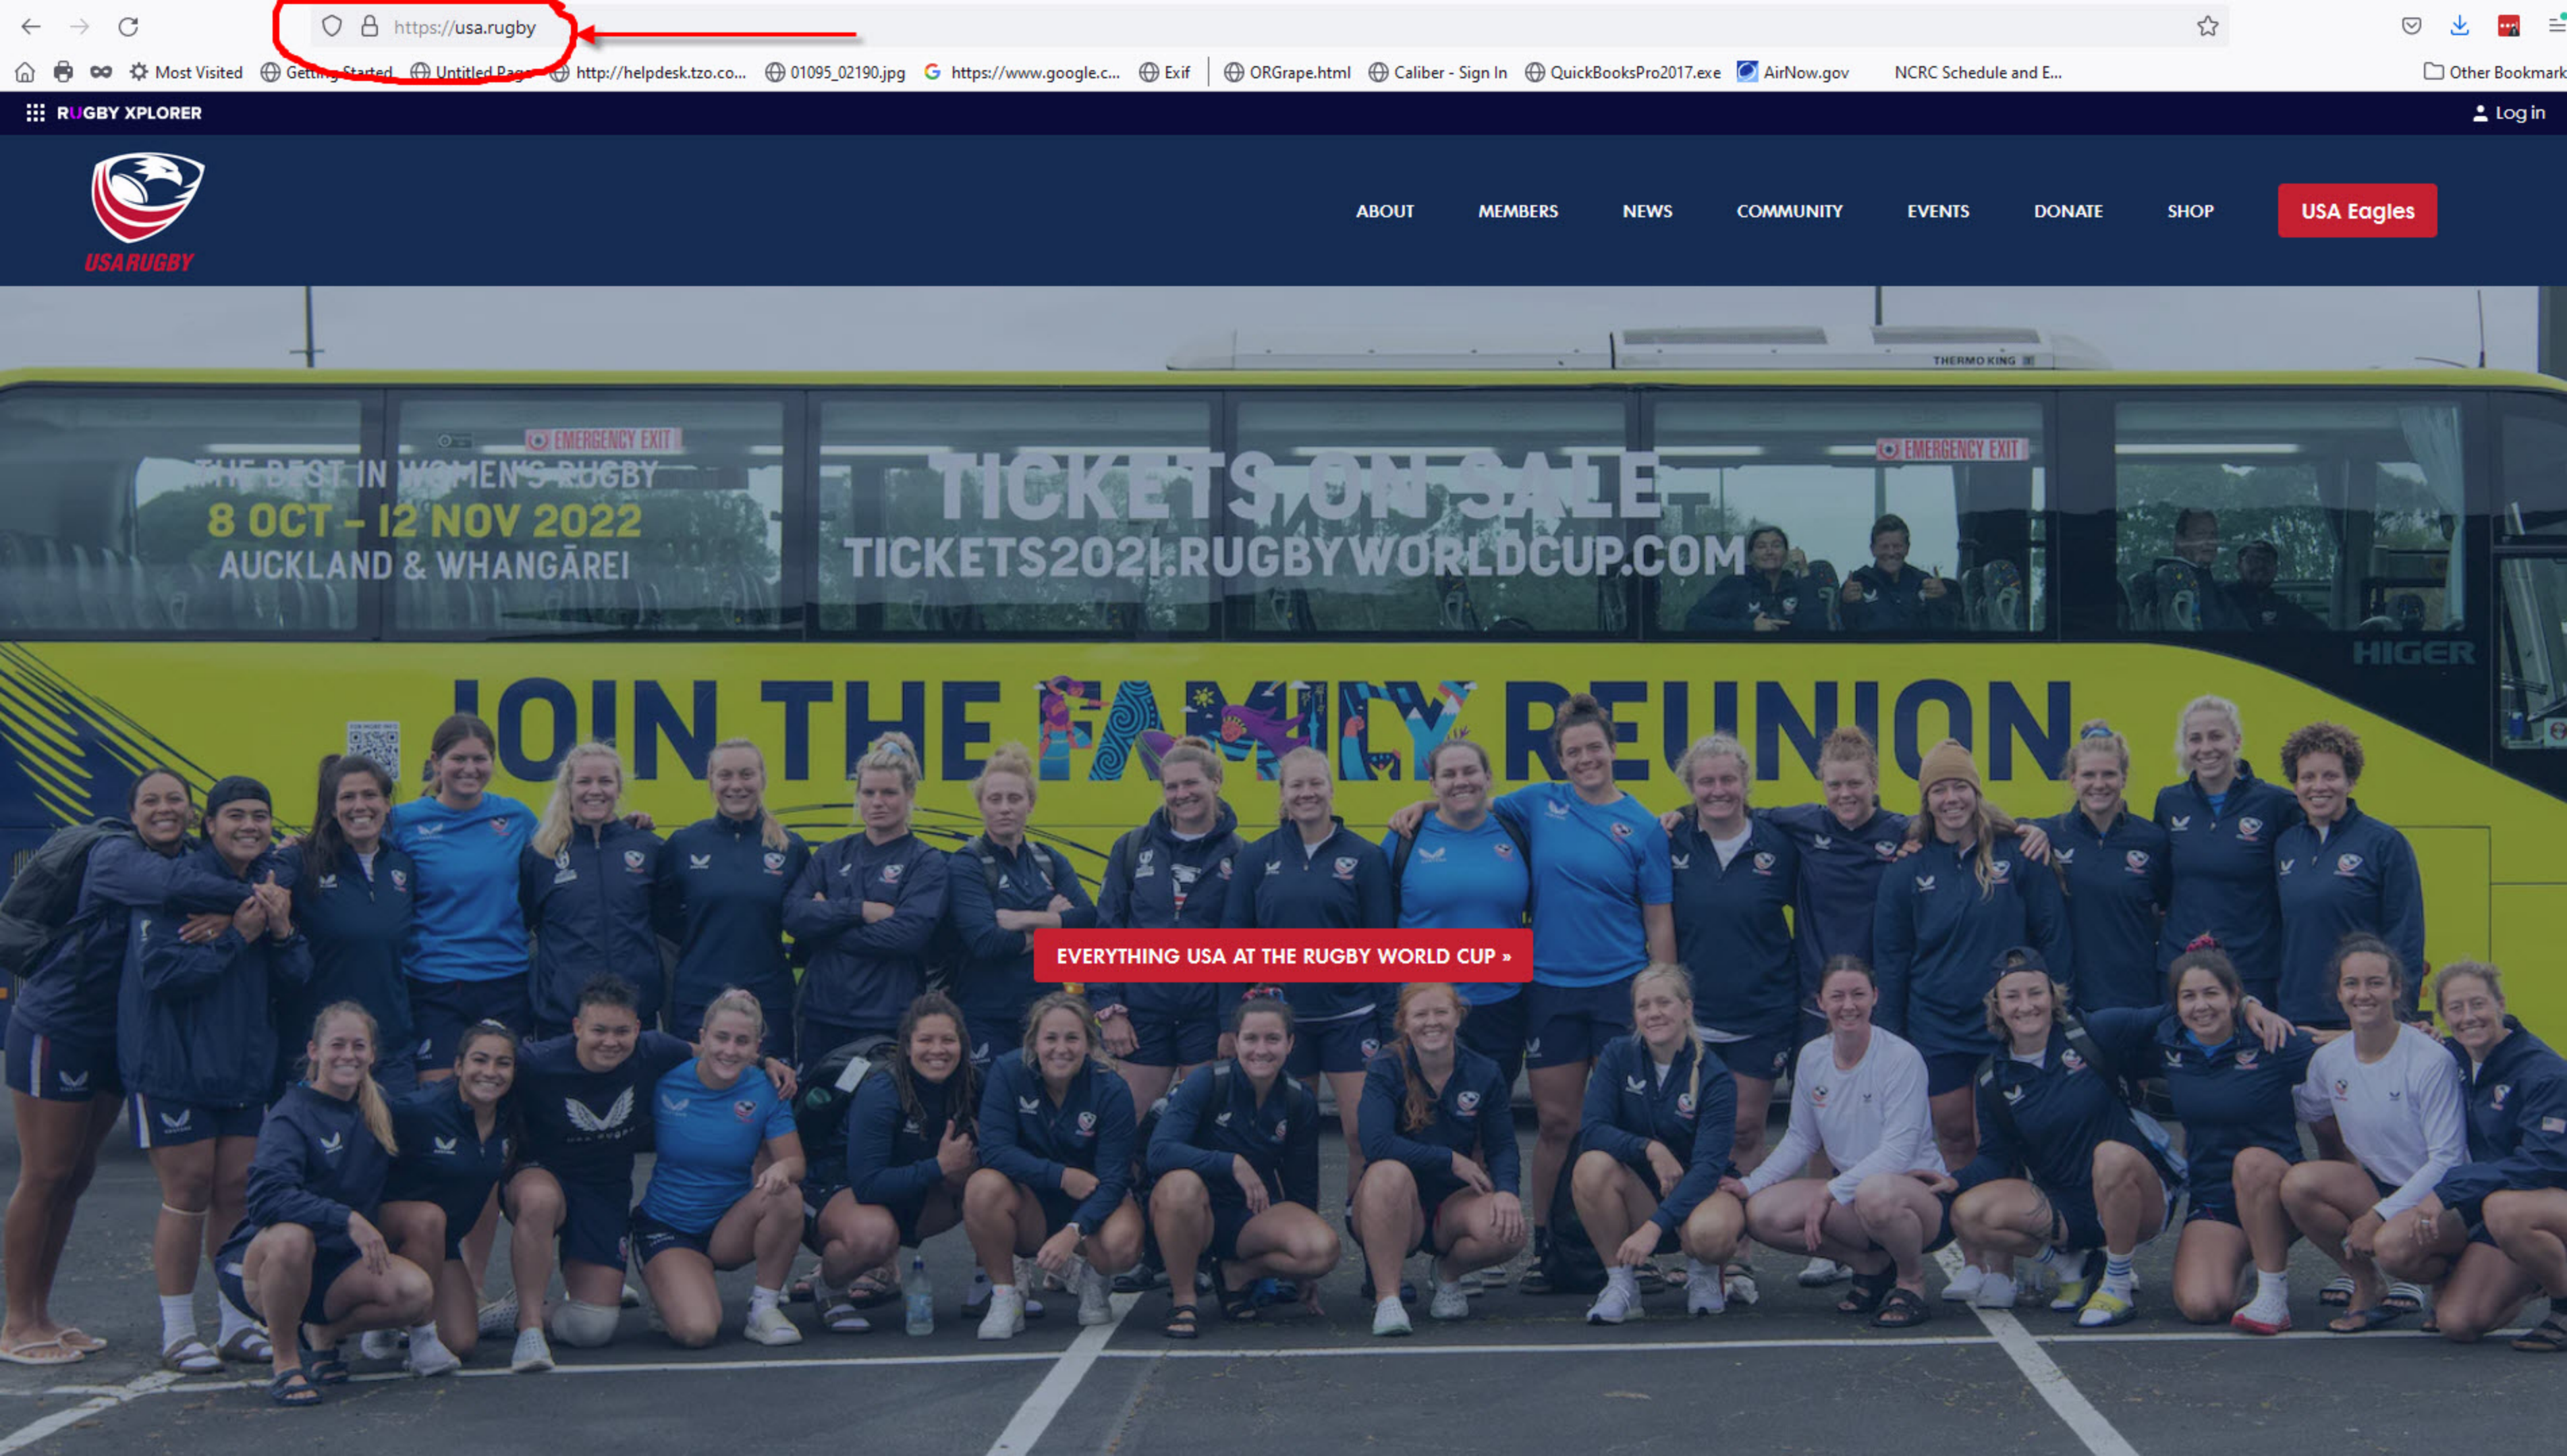

- 3) Choose the "Find a Club" option.

- 4) Follow the prompts to add your athlete. It's here you'll include your athlete's details including date of birth, home country, height, weight, etc. You can also post your athlete's profile photo.
- 5) You'll then be asked to select a team. Please do not select "Eastside Lions." Instead, choose the "At Large Youth and High School" option.
 - a. If you mistakenly select "Eastside Lions" you'll hit a wall in the registration process and will be prompted to return to the list of team options. Be sure to select the option, "At Large Youth and High School."
- 6) Follow the remaining prompts and finalize payment (\$25.99). Please keep a copy of your registration to record your player's USA identification number.
 - a. Please note our club will require this USA identification number to confirm your athlete is fully registered. Players without this ID number will not be permitted to participate in player-on-player contact of any sort.
- 7) For families with more than one athlete, simply select the "Link a new person," option and then proceed with registration.

Note the cost for USA Rugby's registration is \$25.99. If your athlete continues with regular-season registration, the \$25.99 Rugby Explorer registration will be credited to your dues.

For registration questions, please contact both director@eastsidelionsrugby.com and club@eastsidelionsrugby.com. Thank you.
